HIS MAJESTY KING GEORGE IV.

IN PURSUANCE OF AN ADDRESS OF

THE HOUSE OF COMMONS OF GREAT BRITAIN.

1823.

ADDRESS

OF THE

HOUSE OF COMMONS OF GREAT BRITAIN

TO

HIS MAJESTY,

RESPECTING

The Public Records of the Kingdom.

JOURNAL OF THE HOUSE OF COMMONS,
Veneris, 11° die Julii, Anno 40° Georgii 3tii Regis, 1800.

Most Gracious Sovereign,

WE, Your MAJESTY's most dutiful and loyal Subjects, the Commons of Great Britain in Parliament assembled, having taken into our Consideration the State of the Public Records of this Kingdom, and the Necessity of providing for the better Arrangement, Preservation, and more convenient Use of the same, humbly beg leave to lay before Your Majesty the Report of our Proceedings thereon; and to represent to Your Majesty, that in several of the Principal Offices we have found the Public Records preserved with great Order and Regularity, and in some few, with a Method and Care which are exemplary; but that, in many of the most important Offices, they are wholly unarranged, undescribed, and unascertained; that some of them are exposed to Erasure, Alteration, and Embezzlement, and others are lodged in Places where they are daily perishing by Damp, or incurring a continual Risk of Destruction by Fire.

A Period of nearly Seventy Years has elapsed since the last General Parliamentary Inquiry upon this Subject; and, during this Interval of Time, the Change which has taken place in the Language and written Character of Judicial Proceedings, as well as the large Accumulation of Materials which has been progressively superadded in every Department, have increased the Difficulties of methodizing the several Repositories, or applying their Contents to Purposes of practical Use.

DUC' LANC'.

In the Course of our Inquiry we have found that many of the Public Buildings allotted to these Uses, and especially those Buildings which belong to Your Majesty's Exchequer in all its Branches, comprehending the ancient Records and Muniments of the Rights and Possessions of the Crown, and the Vouchers and Accounts of the Public Revenues and Expenditure, are in a State so incommodious and insecure, as to require immediate Attention.

It has also appeared to us, that the salutary Measures heretofore adopted by Your Majesty's Authority, for methodizing the Contents of some of the principal Repositories of Your Majesty's Records and Papers of State, might also be extended to many other Repositories, with Consequences highly beneficial to the Public Service.

And the same Motives which encouraged our Predecessors to intreat Your Majesty's Directions for printing the ancient Records of Domesday, and the Rolls of Parliament, have also induced us to submit to Your Majesty's Wisdom, our Desire of extending the same Measure to other ancient and valuable Monuments of our History, Laws, and Government.

Your faithful Commons do therefore most humbly beseech Your Majesty, that You will be graciously pleased to give such Directions as Your Majesty, in Your great Wisdom, shall think fit, for the better Preservation, Arrangement, and more convenient Use of the Public Records of this Kingdom.

And we beg leave further to assure Your Majesty, that whatever extraordinary Expenses may be incurred by the Directions which Your Majesty in Your great Wisdom shall think fit to give on this Occasion, shall be chearfully provided for and made good by Your faithful Commons.

JOURNAL OF THE HOUSE OF COMMONS,

Jovis, 17° die Julii;

Anno 40° Georgii 3tii Regis, 1800.

Mr. Chancellor of the Exchequer reported to the House, That their Address of Friday last (that His Majesty would be graciously pleased to give such Directions as He shall think fit, for the better Preservation, Arrangement, and more convenient Use of the Public Records of this Kingdom; and to assure His Majesty, that whatever extraordinary Expenses may be incurred by the Directions which His Majesty shall think fit to give on this Occasion, shall be made good by His faithful Commons) had been presented to His Majesty; and that His Majesty had commanded him to acquaint this House, that he will give Directions as desired by the said Address.

RECORD COMMISSION.

The 18th Day of June 1821.

GEORGE R.

GEORGE THE FOURTH by the Grace of God, of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith, &c.

To Our right trusty and right well-beloved Cousin and Councillor *Robert Banks*, Earl of Liverpool, Knight of the most Noble Order of the Garter, First Commissioner of Our Treasury, or the First Commissioner of Our Treasury for the Time being; Our right trusty and well-beloved Cousin and Councillor *Henry* Viscount *Sidmouth*; Our right trusty and entirely beloved Cousin and Councillor *Robert* Marquess of *Londonderry*, Knight of the most Noble Order of the Garter; and Our right trusty and right well-beloved Cousin and Councillor *Henry* Earl *Bathurst*, Knight of the most Noble Order of the Garter; Our Three Principal Secretaries of State, or Our Three Principal Secretaries of State for the Time being; Our right trusty and well-beloved Councillors *Charles Manners Sutton*, Speaker of the House of Commons, or the Speaker of the House of Commons for the Time being; and Sir *Thomas Plumer*, Knight, Master of the Rolls, or the Master of the Rolls for the Time being; Our trusty and well-beloved Sir *William Rae*, Baronet, Our sole and only Advocate for Scotland, or Our sole and only Advocate for Scotland for the Time being; Our right trusty and well-beloved Councillor *William Dundas*, Lord Clerk Register of Scotland, or the Lord Clerk Register of Scotland for the Time being; Our right trusty and right well-beloved Cousin and Councillor *George John* Earl *Spencer*, Knight of the most Noble Order of the Garter; Our right trusty and right well-beloved Cousin *George Hamilton*, Earl of Aberdeen; Our right trusty and well-beloved Cousin and Councillor *Henry* Viscount *Sidmouth*; the Right Reverend Father in God Our right trusty and well-beloved Councillor *William* Lord Bishop of London; the Right Reverend Fathers in God Our trusty and well-beloved *Herbert* Lord Bishop of Peterborough, and *William* Lord Bishop of Llandaff; Our right trusty and well-beloved Councillors *William Wyndham* Lord *Grenville*, *Sylvester* Lord *Glenbervie*, *John* Lord *Redesdale*, and *Charles* Lord *Colchester*; Our right trusty and well-beloved Councillors *Thomas Grenville*, *Charles Bathurst*, *William Wickham*, and *Nathaniel Bond*; Our trusty and well-beloved Sir *James Mackintosh*, Knight, and *Charles Watkin Williams Wynn*.

WHEREAS the Knights, Citizens, and Burgesses, and Commissioners of Shires and Boroughs in the Parliament of Our United Kingdom of Great Britain and Ireland assembled, having taken into their Consideration the State of the Public Records of this Kingdom, and the necessity of providing for the better arrangement, preservation, and more convenient use of the same, did heretofore humbly lay before Our late Royal Father of blessed Memory a Report of their Proceedings thereon, and also humbly represented unto Our said late Royal Father that the Public Records of the Kingdom were in many Offices unarranged, undescribed, and unascertained; that many of them were exposed to Erasure, Alteration, and Embezzlement, and were lodged in Buildings incommodious and insecure; and that it would be beneficial for the Public Service that the Records and Papers contained in many of the principal Offices and Repositories should be methodized, and that certain of the more ancient and valuable amongst them should be printed; and did humbly beseech Our said late Royal Father that He would be graciously pleased to give such directions thereupon, as He in His wisdom should think fit.

And whereas Our said late Royal Father, considering the Premises, and earnestly desiring more effectually to provide for the better Arrangement, Preservation, and more convenient Use of the said Records and Papers, did by Warrant under His Royal Sign Manual, bearing Date the Twenty-third Day of May 1806, authorize and appoint the several Persons therein

severally named, and any Three or more of them, to make a diligent and particular Inquiry into the several Matters which His faithful Commons had, in their above-mentioned Report of their Proceedings, represented as fitting to be provided by Royal Authority, and to do such other Matters and Things touching the Premises as were therein set forth: And whereas the several Persons thereby and by other subsequent Warrants of Our said late Royal Father appointed, did duly proceed in the Execution of the several Matters committed to their Charge, and have made considerable Progress therein, as by their annual Certificates to Our said late Royal Father and to Us in His and Our Privy Council appears; but some of the said Persons are since deceased, or have become less able to attend to the Duties so required of them, and it is expedient to appoint others in their Place, in such Manner as may give more complete and permanent Effect to Our Royal Intentions in that Behalf;

Know ye, That we, considering the Premises, and earnestly desiring further and more effectually to provide for the better Arrangement, Preservation, and more convenient Use of the said Records and Papers, and reposing great Trust and Confidence in your Fidelity, Discretion, and Integrity, have authorized and appointed, and by these Presents Do authorize and appoint, you the said Robert Banks Earl of Liverpool, Henry Viscount Sidmouth, Robert Marquess of Londonderry, Henry Earl Bathurst, Charles Manners Sutton, Sir Thomas Plumer, Sir William Rae, William Dundas, George John Earl Spencer, George Hamilton Earl of Aberdeen, Henry Viscount Sidmouth, William Lord Bishop of London, Herbert Lord Bishop of Peterborough, William Lord Bishop of Llandaff, William Wyndham Lord Grenville, Sylvester Lord Glenbervie, John Lord Redesdale, Charles Lord Colchester, Thomas Grenville, Charles Bathurst, William Wickham, Nathaniel Bond, Sir James Mackintosh, and Charles Watkin Williams Wynn, and any Three or more of you, (whereof the said First Commissioner of Our Treasury, one of Our Principal Secretaries of State, The Speaker of the House of Commons, The Master of the Rolls, or Our Advocate for Scotland, severally and respectively for the Time being, to be one), further to make a diligent and particular Inquiry into the several Matters which the faithful Commons of Our said late Royal Father did, in the above-mentioned Report of their Proceedings, represent as fitting to be provided for by Our Royal Authority:

And furthermore, We do by these Presents give and grant unto you, Our said Commissioners and any Three or more of you, (whereof the First Commissioner of Our Treasury, One of Our Principal Secretaries of State, The Speaker of the House of Commons, The Master of the Rolls, or Our Advocate for Scotland, severally and respectively for the Time being, to be one,) full Power and Authority to cause all and singular the Officers, Clerks, and Ministers of the said Offices and Repositories respectively, to bring and produce upon Oath, before you or any Three or more of you, all and singular Rolls, Records, Books, and Papers, or other Writings belonging to the said Offices or Repositories, or any of them, or any Officers within the same, and which shall be in the Custody of them or any of them respectively:

And, to the end that Our Royal Will and Pleasure in the Premises may be executed with the greater Regularity and Expedition, We further by these Presents will and command, and do hereby give full Power and Authority to you, or any Three or more of you, (whereof the said First Commissioner of Our Treasury, One of Our Principal Secretaries of State, The Speaker of the House of Commons, The Master of the Rolls, or Our Advocate for Scotland, severally and respectively for the Time being, to be one), to nominate and appoint from Time to Time such Person of Ability, Care, and Diligence, as ye shall think fit, to be and act as your Clerk or Secretary, for the Purpose of

ORDER.

AT a Board of the Commissioners appointed by His Majesty for carrying into Execution the Measures recommended by The House of Commons respecting the Public Records of the Kingdom, &c.

Holden at the House of The Right Honourable The Speaker of the House of Commons, on the 26th Day of March 1821;

PRESENT,

The Right Honourable CHARLES MANNERS SUTTON, Speaker of the House of Commons,
The Right Honourable Sir THOMAS PLUMER, Master of the Rolls,
The Right Reverend WILLIAM Lord Bishop of LONDON,
The Right Honourable JOHN Lord REDESDALE,
The Right Honourable CHARLES BATHURST, Chancellor of the Duchy of Lancaster.

It was Resolved, That the CALENDARS to the INQUISITIONS POST MORTEM, PLEADINGS, SURVEYS, &c. in the Office of the DUCHY OF LANCASTER, be put to Press.

By Order of the Board,

John Caley, Secretary.

ACCORDING to the Return made to the Select Committee of the House of Commons, in the Year 1800, The INQUISITIONS POST MORTEM in this Repository, then found, amounted to 2400, beginning with the First Year of King Henry the Fifth, 1413, and ending with the Eighteenth Year of King Charles the First, 1642. A more recent Investigation has shewn their Number to amount to 3569; which it has also been found necessary to put in a better State of Arrangement, and to clean, repair, and bind them into Volumes, and compose the New Calendar, which forms the First Part of this Volume.

The PLEADINGS, consisting of BILLS, ANSWERS, and DEPOSITIONS and SURVEYS, in Suits exhibited in the Duchy Court, commence with the First Year of King Henry the Seventh, and are continued to the present Time. The Calendar now published extends from the earliest Date of these Pleadings to the Reign of Philip and Mary, including 5682 Records, and forms the Second Part of this Volume.

The Calendars to the remaining Part of these Pleadings will be given in the Second Volume.
